Mr. James

Did you know that 58,151 Americans died in the Vietnam War? This is a fact of history. The Vietnam War was one of the biggest wars for America with many battles that killed thousands. The war started in 1957 and ended on April 30, 1975. There were many battles in different places. Many countries participated.

The war started because communist North Vietnam attacked South Vietnam. It started in 1957 and ended in April 30.

They attacked mostly in North Vietnam. 58,151 died and 153,303 wounded. They started attacking a village in Mekong Delta, There were a number of countries involved in the Vietnam War.

The United States supported South Vietnam. American, French, Australia, New Zealand and Thailand helped South Vietnam. China and Russia helped North Vietnam.

The Vietnam War is one of the biggest wars for American. We know when the war started and ended. There were many battles. Many countries participated in the war. The Vietnam War was scary. I hope it won't happen again.

Vietnam War

Did you know that 58,151
Americans died in the
Vietnam War?

This is a fact of history. The
Vietnam War was one of the
biggest wars for America with
many battles that killed thousands.

The war started in 1957 and
ended on April 30th 1975. There
were many battles in
different places. Many

countries participated.

The war started because Communist North Vietnam attacked South Vietnam. It started in 1954 and ended in April 30th.

They attacked mostly in North Vietnam. 58,151 died and 153,303 wounded. They started attacking a village in Me-Kong Delta. There were a

Number of countries

involved in the Vietnam war.

The United States supported South Vietnam. America, France, Australia, New Zealand and Thailand helped South Vietnam. China and Russia helped North Vietnam.

The Vietnam war is one of the biggest wars for America. We know when the

war started and ended. There
were many battles. Many
countries participated
in the war. The Vietnam War
was scary. I hope it won't
happen again.

introduction

Did you know that 58,151 American^s died in the Vietnam war? This is a fact of history. The Vietnam war was one of the biggest wars for America with many battles that killed thousands. The war started in 1957 and ended on April 30th 1975.

~~Communist North Vietnam. There were many battles in different places. Many countries participated~~

→ why is this section here?

Countries participated

11

The war started because
Vietnam war

~~Sum~~ ~~peop~~ did not
~~want to fight~~, It
started in 1957 - April
30th 1975. Communist
North Vietnam ~~did~~ ^{ed} attack South
Vietnam, ~~the~~ ~~fight~~ ~~most~~
~~happin~~ ~~in~~ Vietnam.

They ^{ed} attacked mostly
in North Vietnam, 58,151
died and 153,303 ^u wounded.
They ^{ed} start attacking at a ~~farm~~
Village in Mekong Delta. There were
a number of countries
involved in the Vietnam war

The ^{United States supported} USA ~~had~~ South
Vietnam, America
French, Australia, ^{New Zealand} and
Thailand helped South
Vietnam. China, Russia help
ed North Vietnam.

Conclusion
